

Got branded wires and switches for our flat. Owner was very polite. Explained wire load properly. Reasonable pricing. Billing was clean. Nalla experience.

Got Finolex CPVC pipes and fittings for my bathroom renovation. All sizes were available in stock and pricing was better than nearby stores in Parry's. Even for small quantities, they gave proper billing and packed it well. Highly recommend for genuine plumbing materials.

Top shop for all electrical materials. From LED lights to branded wires and modular switches, they have full range. I also got some plumbing connectors for bathroom work. Service is very decent and they don't push unnecessary items.
